

Prof. Dr. Tommaso Calarco has been a full professor at the University of Cologne since 2018 and at the University of Bologna since 2023. He received his PhD at the University of Ferrara and started to work as a postdoc in the group of P. Zoller at the **University of Innsbruck**. He was appointed as a Senior Researcher at the **BEC Centre in Trento** in 2004 and as a Professor for Physics at the **University of Ulm** in 2007, where he then became Director of the Institute for Complex Quantum Systems and of the Centre for Integrated Quantum Science and Technology. He has authored in 2016 the Quantum Manifesto, which initiated the European Commission's Quantum Flagship initiative, and is currently the **Chairman of one of the Flagship's Governing Bodies: The Quantum Community Network (QCN)**. In 2020, together with the QCN, he has launched an initiative towards the creation of a consortium of European quantum industries, which has been legally established in 2021 under the name of European Quantum Industry Consortium (QuIC).
